	Document ID	Title
9	US 6073105 A	Interactive personals online network method and apparatus
10	US 6073104 A	System for invoice record management and asset-backed commercial paper program management
11	US 6070160 A	Non-linear database set searching apparatus and method
12	US 6070154 A	Internet credit card security
13	US 6070152 A	Framework for business applications providing financial integration
14	US 6070141 A	System and method of assessing the quality of an identification transaction using an identificaion quality score
15	US 6067549 A	System for managing regulated entities
16	US 6067532 A	Ticket redistribution system
17	US 6067528 A	Confidential market making system
18	US 6067524 A	Method and system for automatically generating advisory information for pharmacy patients along with normally transmitted data
19	US 6064980 A	System and methods for collaborative recommendations

	Document ID	Title
20	US 6064967 A	Internet-audiotext electronic advertising system with inventory management
21	US 6064968 A	Systems, methods and computer program products for identifying unique and common legal requirements for a regulated activity among multiple legal jurisdictions
22	US 6064972 A	Risk management technique for network access
23	US 6061656 A	Computer-based trading card system and method
24	US 6058371 A	Method of administering a financial instrument having a service voucher-based return component
25	US 6058367 A	System for matching users based upon responses to sensory stimuli
26	US 6058368 A	Reliability growth tool
27	US 6055505 A	Automatic customer notification system and method
28	US 6055510 A	Method for performing targeted marketing over a large computer network
29	US 6055503 A	Software program self-modification
30	US 6055504 A	Method and system for accommodating electronic commerce in a communication network capacity market

	Document ID	Title
31	US 6052631 A	Method and system for facilitating vehicle inspection to detect previous damage and repairs
32	US 6049779 A	Call center incentive system and method
33	US 6049784 A	Method for creating and managing a lease agreement
34	US 6049776 A	Human resource management system for staffing projects
35	US 6047263 A	Method of displaying information by an electronic price label
36	US 6047258 A	Renting/leasing instrument options using satellite positioning system

	Document ID	Title
37	US 6047290 A	Computer implemented planning system and process providing mechanism for grouping and prioritizing consumer objects based on multiple criteria
38	US 6044359 A	Method of minimizing power consumption within an electronic price label
39	US 6044350 A	Certificate meter with selectable indemnification provisions
40	US 6044352 A	Method and system for processing and recording the transactions in a medical savings fund account
41	US 6044354 A	Computer-based product planning system
42	US 6044349 A	Secure and convenient information storage and retrieval method and apparatus
43	US 6041310 A	Method and system for automobile transactions
44	US 6041303 A	Method of assisting the conducting of a research project
45	US 6041308 A	System and method for motivating submission of conditional purchase offers

	Document ID	Title
46	US 6038554 A	Non-Subjective Valuing.COPYRGT. the computer aided calculation, appraisal and valuation of anything and anybody
47	US 6038542 A	System for notifying an individual of a previously scheduled event
48	US 6038543 A	Cooperative work supporting method and system therefor
49	US 6038538 A	Generating process models from workflow logs
50	US 6035280 A	Electronic discount couponing method and apparatus for generating an electronic list of coupons
51	US 6035284 A	System and method for product rationalization
52	US 6030001 A	Method for deterring forgeries and authenticating signatures
53	US 6032118 A	Virtual private network service provider for asynchronous transfer mode network

	Document ID	Title
54	US 6029147 A	Method and system for providing an interface for supporting multiple formats for on-line banking services
55	US 6029137 A	Updating domains in a postage evidencing system
56	US 6029138 A	Computer system for decision support in the selection of diagnostic and therapeutic tests and interventions for patients
57	US 6026369 A	Method for distributing advertising in a distributed web modification system
58	US 6026373 A	Method of sending messages to an electronic price label
59	US 6026375 A	Method and apparatus for processing orders from customers in a mobile environment
60	US 6026362 A	Tool and method for diagnosing and correcting errors in a computer program
61	US 6023687 A	Method for creating and managing a lease agreement
62	US 6023683 A	Electronic sourcing system and method
63	US 6021390 A	Information selling method and information selling system
64	US 6021391 A	Method and system for dynamic data encryption
65	US 6018713 A	Integrated system and method for ordering and cumulative results reporting of medical tests

	Document ID	Title
66	US 6018712 A	Method and apparatus for remote program execution to use in computer software protection without the use of encryption
67	US 6016474 A	Tool and method for diagnosing and correcting errors in a computer program
68	US 6016475 A	System, method, and article of manufacture for generating implicit ratings based on receiver operating curves
69	US 6016476 A	Portable information and transaction processing system and method utilizing biometric authorization and digital certificate security
70	US 6014637 A	Object oriented framework mechanism for fulfillment requirements management
71	US 6014639 A	Electronic catalog system for exploring a multitude of hierarchies, using attribute relevance and forwarding-checking
72	US 6014641 A	Method and apparatus for providing open-ended subscriptions to commodity items normally available only through term-based subscriptions
73	US 6014627 A	Credit management for electronic brokerage system

	Document ID	Title
74	US 6014628 A	Method and system for tracking any entity through any set of processes utilizing a temporal projection
75	US 6012032 A	System and method for accounting of computer data storage utilization
76	US 6012033 A	Proprietary information protection method
77	US 6012034 A	System and method for selecting an intravenous device
78	US 6009400 A	Method and arrangement for alerting customers from purchasing perished items using bar codes with changeable properties when subjected to factors causing perishability
79	US 6009401 A	Relicensing of electronically purchased software
80	US 6009405 A	Ensuring atomicity for a collection of transactional work items in a workflow management system
81	US 6009406 A	Methodology and computer-based tools for re-engineering a custom-engineered product line
82	US 6009410 A	Method and system for presenting customized advertising to a user on the world wide web
83	US 6006194 A	Computer-implemented system for controlling resources and policies

	Document ID	Title
84	US 6006195 A	Product development system and method using integrated process and data management
85	US 6006190 A	Computer implemented method and a computer system for enforcing software licenses
86	US 6003012 A	Methodology and computer-based tools for design, production and sales of customized switchboards
87	US 6002753 A	Method and apparatus for interfacing computers to exchange telephone call business information
88	US 5999912 A	Dynamic advertising scheduling, display, and tracking
89	US 5999913 A	Electronic price label system which displays prices in multiple currencies
90	US 5999907 A	Intellectual property audit system
91	US 5999908 A	Customer-based product design module
92	US 5995015 A	Remote electronic information display system for retail facility

	Document ID	Title
93	US 5996006 A	Internet-audiotext electronic advertising system with enhanced matching and notification
94	US 5995945 A	System and process for inter-domain planning analysis and optimization using model agents as partial replicas of remote domains
95	US 5989034 A	Information organization method, information organization sheet, and display apparatus
96	US 5991735 A	Computer program apparatus for determining behavioral profile of a computer user
97	US 5991745 A	Reverse mortgage loan calculation system and process
98	US 5991733 A	Method and computerized system for managing insurance receivable accounts
99	US 5987425 A	Variable margin pricing system
100	US 5987421 A	Computerized system and method for locating individual members of discrete groups and for electronically registering and holding the groups position in waiting lines

	Document ID	Title
101	US 5987419 A	Automatic securities exchange system which detects communications errors and allows cancellation of orders
102	US 5983205 A	Computer-based method for the fair division of ownership of goods
103	US 5983200 A	Intelligent agent for executing delegated tasks
104	US 5983227 A	Dynamic page generator
105	US 5978766 A	Machine, method and medium for assisted selection of information from a choice space
106	US 5978767 A	Method and system for processing career development information
107	US 5978768 A	Computerized job search system and method for posting and searching job openings via a computer network
108	US 5978811 A	Information repository system and method for modeling data
109	US 5974388 A	Paint customer service information method and apparatus
110	US 5970463 A	Medical claims integration and data analysis system

	Document ID	Title
111	US 5970466 A	Graphical computer system and method for appointment scheduling
112	US 5970468 A	Method and system for communicating between users of a productivity tracking system
113	US 5970475 A	Electronic procurement system and method for trading partners
114	US 5966693 A	Method for combining loan with key employee life insurance
115	US 5966699 A	System and method for conducting loan auction over computer network
116	US 5963909 A	Multi-media copy management system
117	US 5963922 A	System for graphically mapping related elements of a plurality of transactions
118	US 5960402 A	Information management apparatus dealing with waste and waste recycle planning supporting apparatus

	Document ID	Title
119	US 5960407 A	Automated market price analysis system
120	US 5960406 A	Scheduling system for use between users on the web
121	US 5956688 A	Electronic transaction apparatus and computer readable storage medium on which is recorded control program for executing format conversion in electronic transaction
122	US 5956687 A	Personal injury claim management system
123	US 5953702 A	Computerized comprehensive document audit
124	US 5953703 A	Method of selecting lens color for eyeglasses
125	US 5953707 A	Decision support system for the management of an agile supply chain
126	US 5950171 A	System for determining hypothetical book value

	Document ID	Title
127	US 5949876 A	Systems and methods for secure transaction management and electronic rights protection
128	US 5946670 A	Data switching device and method of notifying charge information in data switching network
129	US 5946660 A	Automated storage system
130	US 5946646 A	Interactive advertising system and device
131	US 5943650 A	Operation management system and operation management method
132	US 5943656 A	Methods and systems for computerized bill consolidating, billing and payment authorization, computerized utility bill consolidating, utility billing access and payment and utility provider consolidated billing systems
133	US 5943657 A	Communications pricing and charging maintenance sub-system and process
134	US 5940800 A	Attorney terminal having outline preparation capabilities for managing trial proceedings
135	US 5937388 A	System and method for performing scalable distribution of process flow activities in a distributed workflow management system

	Document ID	Title
136	US 5937390 A	On-line advertising system and its method
137	US 5937386 A	Computerized method and system for fulfillment of an itemized food order from a quick-service restaurant menu
138	US 5933813 A	Sales promotion data processor system and interactive changeable display particularly useful therein
139	US 5930357 A	Method of managing contracts for licensed program use and a management system thereof
140	US 5926798 A	Method and apparatus for performing computer-based on-line commerce using an intelligent agent
141	US 5924072 A	Knowledge management system and method
142	US 5920844 A	Information display method
143	US 5920845 A	Date matching methods
144	US 5917422 A	System and method of assigning an electronic serial number to a radio frequency device
145	US 5918207 A	Process and system for predictive resource planning

	Document ID	Title
146	US 5918211 A	Method and apparatus for promoting products and influencing consumer purchasing decisions at the point-of-purchase
147	US 5915240 A	Computer system and method for accessing medical information over a network
148	US 5915241 A	Method and system encoding and processing alternative healthcare provider billing
149	US 5915243 A	Method and apparatus for delivering consumer promotions
150	US 5915018 A	Key management system for DVD copyright management
151	US 5911131 A	Computer aided calculation, appraisal and valuation of works of art
152	US 5908469 A	Generic user authentication for network computers
153	US 5905973 A	Shopping basket presentation method for an online shopping system
154	US 5899978 A	Titling system and method therefor
155	US 5899979 A	Method and system for automatically integrating scheduled work items onto an electronic calendar
156	US 5897619 A	Farm management system

	Document ID	Title
157	US 5898586 A	Method for administering clinical trail material
158	US 5895450 A	Method and apparatus for handling complaints
159	US 5893903 A	Multimedia message system with revenue allocation
160	US 5892827 A	Method and apparatus for generating personal identification numbers for use in consumer transactions
161	US 5893069 A	System and method for testing prediction model
162	US 5890127 A	Method and apparatus for performing a loop reset in a process modeling system
163	US 5890138 A	Computer auction system
164	US 5887154 A	Business process simulation system
165	US 5884286 A	Apparatus and process for executing an expirationless option transaction
166	US 5884289 A	Debit card fraud detection and control system
167	US 5884274 A	System and method for generating and executing insurance policies for foreign exchange losses
168	US 5884275 A	Method to identify hazardous employers
169	US 5884270 A	Method and system for facilitating an employment search incorporating user-controlled anonymous communications

	Document ID	Title
170	US 5884271 A	Device, system and methods of conducting paperless transactions
171	US 5884272 A	Method and system for establishing and maintaining user-controlled anonymous communications
172	US 5877961 A	Electronic support work station and method of operation
173	US 5875430 A	Smart commercial kitchen network
174	US 5869825 A	Method of processing monetary transaction data by batch off-loading of the data from a portable, hand-held electronic device, device and system therefor
175	US 5867820 A	Feedlot computer network installation for managing feedlot operations
176	US 5864620 A	Method and system for controlling distribution of software in a multitiered distribution chain
177	US 5862223 A	Method and apparatus for a cryptographically-assisted commercial network system designed to facilitate and support expert-based commerce
178	US 5860066 A	Imaging and workflow system

	Document ID	Title
179	US 5857174 A	Real estate appraisal method and device for standardizing real property marketing analysis by using pre-adjusted appraised comparable sales
180	US 5850219 A	Method and system for electronic document approval with displayed imprint
181	US 5848396 A	Method and apparatus for determining behavioral profile of a computer user
182	US 5842173 A	Computer-based surgical services management system
183	US 5842174 A	Telephone billing analyzer
184	US 5842175 A	Therapy system
185	US 5835897 A	Computer-implemented method for profiling medical claims
186	US 5832497 A	Electronic automated information exchange and management system
187	US 5832446 A	Interactive database method and system for food and beverage preparation
188	US 5832448 A	Multiple patient monitoring system for proactive health management
189	US 5832450 A	Electronic medical record using text database
190	US 5831861 A	Point-of-sales interface for mechanical pumps
191	US 5825883 A	Method and apparatus that accounts for usage of digital applications
192	US 5826239 A	Distributed workflow resource management system and method

	Document ID	Title
193	US 5826241 A	Computerized system for making payments and authenticating transactions over the internet
194	US 5826252 A	System for managing multiple projects of similar type using dynamically updated global database
195	US 5822736 A	Variable margin pricing system
196	US 5819227 A	Tour schedule processor for moving bodies
197	US 5819231 A	Compensation planning tool and method
198	US 5819236 A	System and method for providing advance notification of potential presentment returns due to account restrictions
199	US 5812980 A	Program operating apparatus
200	US 5812981 A	Method of creating a data item object suitable for an application from a standard object oriented part
201	US 5802493 A	Method and apparatus for generating a proposal response
202	US 5802500 A	System and method for computing a financial projection of a prefunding program for other postretirement employee benefits under FASB statement 106
203	US 5799281 A	Computer control and management system for laundry installation
204	US 5799289 A	Order management system and method considering budget limit

	Document ID	Title
205	US 5794206 A	Method and system for displaying electronic data interchanges in a computer
206	US 5794207 A	Method and apparatus for a cryptographically assisted commercial network system designed to facilitate buyer-driven conditional purchase offers
207	US 5794208 A	Creating and using protocols to create and review a patient chart
208	US 5794215 A	Method of optimizing electronic price label systems
209	US 5794218 A	Automated multilingual interactive system and method to perform financial transactions
210	US 5793632 A	Cost estimating system using parametric estimating and providing a split of labor and material costs
211	US 5787400 A	Method for implementing electronic data interchange (EDI) in the processing of manifests and parcel inquiry/responses for multiple carriers in a parcel processing system

	Document ID	Title
212	US 5787405 A	Method and system for creating financial instruments at a plurality of remote locations which are controlled by a central office
213	US 5781704 A	Expert system method of performing crime site analysis
214	US 5781889 A	Computer jukebox and jukebox network
215	US 5774875 A	Pharmaceutical recordkeeping system
216	US 5774878 A	Virtual reality generator for use with financial information
217	US 5761644 A	Electronic secretary system with animated secretary character
218	US 5758324 A	Resume storage and retrieval system
219	US 5754850 A	Real-estate method and apparatus for searching for homes in a search pool for exact and close matches according to primary and non-primary selection criteria
220	US 5752233 A	System and method for budget compilation under parallel/distributed processing
221	US 5748906 A	Electronic telephone directory with interchangeable listings

	Document ID	Title
222	US 5745681 A	Stateless shopping cart for the web
223	US 5745878 A	Business requirement handling apparatus
224	US 5745879 A	Method and system for managing execution of licensed programs
225	US 5745880 A	System to predict optimum computer platform
226	US 5742776 A	Decision support system
227	US 5742932 A	Method and system of accounting for transaction costs and currency exchange in a hybrid mail system
228	US 5737227 A	Software planning program for coatings
229	US 5734568 A	Data processing system for merger of sorting information and redundancy information to provide contextual predictive keying for postal addresses
230	US 5732397 A	Automated decision-making arrangement
231	US 5732400 A	System and method for a risk-based purchase of goods

	Document ID	Title
232	US 5732401 A	Activity based cost tracking systems
233	US 5729740 A	Information service billing system using radio communications
234	US 5724518 A	Method of and system for correlating charitable contributions
235	US 5724520 A	Electronic ticketing and reservation system and method
236	US 5724545 A	Memory card with capacity-independent 3-line addressing system
237	US 5717865 A	Method for assisting individuals in decision making processes
238	US 5717595 A	Integrated automated vehicle analysis
239	US 5715169 A	Software rental method and apparatus, and circulating medium therefor
240	US 5715450 A	Method of selecting and presenting data from a database using a query language to a user of a computer system
241	US 5712984 A	System for funding future workers' compensation losses

	Document ID	Title
242	US 5710886 A	Electric couponing method and apparatus
243	US 5708812 A	Method and apparatus for Migrating from a source domain network controller to a target domain network controller
244	US 5701419 A	Telecommunications service creation apparatus and method
245	US 5696965 A	Electronic information appraisal agent
246	US 5696981 A	Personality analyzer
247	US RE35658 E	Computerized court reporting system
248	US 5677955 A	Electronic funds transfer instruments
249	US 5675745 A	Constructing method of organization activity database, analysis sheet used therein, and organization activity management system
250	US 5675746 A	Virtual reality generator for use with financial information
251	US 5675820 A	Guided outlining method
252	US 5671358 A	System for voting stock component interests

	Document ID	Title
253	US 5671409 A	Computer-aided interactive career search system
254	US 5668953 A	Method and apparatus for handling a complaint
255	US 5666490 A	Computer network system and method for managing documents
256	US 5665952 A	Method of streamlining the acknowledgement of a multiplicity of contribution or gift commitments made at a plurality of remote locations to distinct fund-raising organizations and gift recipients and system therefor
257	US 5663547 A	Method of fund-raising with a keyless contribution and gift commitment management device
258	US 5664063 A	Automatic user notification of certain meeting attributes of a posted calendar event
259	US 5664110 A	Remote ordering system
260	US 5659165 A	Customer-directed, automated process for transferring funds between accounts via a communications network
261	US 5659734 A	Cooperation scheme for plural work stations
262	US 5657453 A	Successively-deciding production planning system

	Document ID	Title
263	US 5652841 A	Method and apparatus for aggregating terminals into clusters to assist in the construction of a distributed data communication network
264	US 5651117 A	Method and system for disseminating obituaries and administering a depository to achieve this
265	US 5648916 A	Internal mail distribution system
266	US 5649085 A	Method and system for storing and displaying system operation traces with asynchronous event-pairs
267	US 5638519 A	Electronic method and system for controlling and tracking information related to business transactions
268	US 5636346 A	Method and system for selectively targeting advertisements and programming
269	US 5630127 A	Program storage device and computer program product for managing an event driven management information system with rule-based application structure stored in a relational database
270	US 5630068 A	Shoppers communication system and processes relating thereto
271	US 5625694 A	Method of inhibiting token generation in an open metering system

	Document ID	Title
272	US 5623653 A	Document control, routing, and processing apparatus
273	US 5617561 A	Message sequence number control in a virtual time system
274	US 5615133 A	Method and device for storing transaction data
275	US 5612527 A	Discount offer redemption system and method
276	US 5608620 A	Method of eliciting unbiased forecasts by relating a forecaster's pay to the forecaster's contribution to a collective forecast
277	US 5600554 A	Methods and apparatus for securing, integrating, and manipulating employee payroll and human resource information
278	US 5600555 A	Part arrangement optimizing method
279	US 5590195 A	Information dissemination using various transmission modes
280	US 5581749 A	System and method for maintaining codes among distributed databases using a global database

	Document ID	Title
281	US 5579222 A	Distributed license administration system using a local policy server to communicate with a license server and control execution of computer programs
282	US 5576965 A	Method and apparatus for aiding of designing process
283	US 5544041 A	Time-dependent data control system
284	US 5535322 A	Data processing system with improved work flow system and method
285	US 5532920 A	Data processing system and method to enforce payment of royalties when copying softcopy books
286	US 5513356 A	Information processing system for obtaining desired processing based upon output specifications input by user
287	US 5500932 A	Slip output apparatus
288	US 5495412 A	Computer-based method and apparatus for interactive computer-assisted negotiations
289	US 5453130 A	System for sewer line preventive maintenance
290	US 5442759 A	Interactive online tutorial system with user assistance function for software products
291	US 5424945 A	System for evaluating a psychological effect of a document

	Document ID	Title
292	US 5359508 A	Data collection and retrieval system for registering charges and royalties to users
293	US 5351186 A	System and method for obtaining information concerning a product or a service
294	US 5339239 A	Information collecting and/or service furnishing systems by which a user can request information from a central data base using a portable personal terminal and an access terminal
295	US 5331543 A	Business monitoring system and method
296	US 5315508 A	Label generating and data tracking system for processing purchase orders
297	US 5305195 A	Interactive advertising system for on-line terminals
298	US 5295064 A	Intelligent shopping cart system having cart position determining and service queue position securing capability
299	US 5293484 A	Method and apparatus for controlling electronics signs using radiopaging signals
300	US 5291396 A	Method of ordering, shipping and merchandising goods and shipping/display assembly therefor
301	US 5287976 A	System and method for co-mailing a plurality of diverse publications

	Document ID	Title
302	US 5287266 A	Intelligent shopping cart system having cart position determining capability
303	US 5283731 A	Computer-based classified ad system and method
304	US 5276617 A	Transaction processing system and method
305	US 5272623 A	Software programming method for forming Government contracting documents
306	US 5262939 A	System for processing parcel shipping
307	US 5250789 A	Shopping cart
308	US 5249120 A	Automated manufacturing costing system and method
309	US 5245534 A	Electronic tag location systems
310	US 5241466 A	System for administering a central depository for living wills and other associated information
311	US 5241467 A	Space management system
312	US 5233513 A	Business modeling, software engineering and prototyping method and apparatus
313	US 5229932 A	Method and apparatus for categorizing and certifying mail batches

	Document ID	Title
314	US 5216592 A	System and method for business process automation
315	US 5172314 A	Apparatus for communicating price changes including printer and display devices
316	US 5168444 A	Shipment system including processing of document images
317	US 5164897 A	Automated method for selecting personnel matched to job criteria
318	US 5162989 A	Information rental system including processor equipped IC card having data erasing means
319	US 5153825 A	Paint formula retrieval and management system and method
320	US 5146404 A	Electronic maintenance support work station
321	US 5117353 A	System for use in a temporary help business
322	US 5099422 A	Compiling system and method of producing individually customized recording media
323	US 5086394 A	Introduction system for locating compatible persons
324	US 5060152 A	Portable transceiver
325	US 5058030 A	Optimizing mail processing by matching publisher and inserter entities
326	US 5032989 A	Real estate search and location system and method
327	US 5006985 A	Computer system for minimizing body dysfunctions induced by jet travel or shift work

	Document ID	Title
328	US 5005124 A	Method and apparatus for categorizing and certifying mail
329	US 4975841 A	Method and apparatus for reporting customer data
330	US 4974170 A	Electronic directory for identifying a selected group of subscribers
331	US 4918602 A	Data processing system and method
332	US 4882475 A	Synthesized speech-facilitated product preparation and/or delivery system and method
333	US 4870576 A	Real estate search and location system and method
334	US 4851994 A	Data I/O terminal equipment having mode setting functions for downloading various specified application programs from a host computer
335	US 4851999 A	General-purpose management system
336	US 4703423 A	Apparatus and method for generation of brand name specific advertising media
337	US 4700296 A	Electronic access control system
338	US 4667291 A	Container redemption method

	Document ID	Title
339	US 4654793 A	System and method for registering and keeping track of the activities of attendees at a trade show, convention or the like
340	US 4623964 A	Homogeneous hierarchial computer business system
341	US 4383298 A	Plant maintenance control system
342	US 4266271 A	Reconfigurable cluster of data-entry terminals
343	US 4005386 A	Clearing system
344	US 3136887 A	TEXT NOT AVAILABLE
345	US 3027083 A	TEXT NOT AVAILABLE
346	US 3024991 A	TEXT NOT AVAILABLE
347	US 2916212 A	TEXT NOT AVAILABLE

	Document ID	Title
1	US 6077085 A	Technology assisted learning
2	US 6075968 A	System and method for educating learning-disabled individuals
3	US 6074216 A	Intelligent interactive broadcast education
4	US 6067537 A	System, method and article of manufacture for a goal based educational system with support for dynamic personality feedback
5	US 6067538 A	System, method and article of manufacture for a simulation enabled focused feedback tutorial system
6	US 6064381 A	Apparatus and methods for analyzing software systems
7	US 6064856 A	Master workstation which communicates with a plurality of slave workstations in an educational system
8	US 6062862 A	Financial services product training apparatus and method related thereto
9	US 6042383 A	Portable electronic device for assisting persons with learning disabilities and attention deficit disorders
10	US 6039575 A	Interactive learning system with pretest
11	US 6029159 A	System, method and article of manufacture for a simulation enabled accounting tutorial system

434/118

	Document ID	Title
12	US 6029043 A	Computer-aided group-learning methods and systems
13	US 6022221 A	Method and system for short-to long-term memory bridge
14	US 6020886 A	Method and apparatus for generating animated help demonstrations
15	US 6018731 A	System, method and article of manufacture for a goal based system utilizing a spreadsheet and table based architecture
16	US 6018617 A	Test generating and formatting system
17	US 6016136 A	Configuring audio interface for multiple combinations of microphones and speakers
18	US 6016486 A	System method and article of manufacture for a goal based system utilizing an activity table

	Document ID	Title
19	US 6014134 A	Network-based intelligent tutoring system
20	US 6003021 A	System, method and article of manufacture for a simulation system for goal based education
21	US 6000945 A	System and method for computer based test assembly
22	US 5999908 A	Customer-based product design module
23	US 5991595 A	Computerized system for scoring constructed responses and methods for training, monitoring, and evaluating human rater's scoring of constructed responses
24	US 5991693 A	Wireless I/O apparatus and method of computer-assisted instruction
25	US 5987443 A	System, method and article of manufacture for a goal based educational system
26	US 5987302 A	On-line essay evaluation system
27	US 5977872 A	Building emergency simulator

	Document ID	Title
28	US 5978648 A	Interactive multimedia performance assessment system and process for use by students, educators and administrators
29	US 5973694 A	Method of communication using sized icons, text, and audio
30	US 5957699 A	Remote computer-assisted professionally supervised teaching system
31	US 5957695 A	Structure and method for displaying commercials and sending purchase orders by computer
32	US 5934909 A	Methods and apparatus to assess and enhance a student's understanding in a subject
33	US 5934910 A	Learning method and system based on questioning
34	US 5927988 A	Method and apparatus for training of sensory and perceptual systems in LLI subjects
35	US 5919046 A	Hazard perception test system

	Document ID	Title
36	US 5915973 A	System for administration of remotely-proctored, secure examinations and methods therefor
37	US 5899699 A	Karaoke network system with endless broadcasting of song data through multiple channels
38	US 5898462 A	Methods of producing data storage devices for appliances which can be used to coach users in the performance of user-selected tasks
39	US 5893717 A	Computerized method and system for teaching prose, document and quantitative literacy
40	US 5890905 A	Educational and life skills organizer/memory aid
41	US 5885087 A	Method and apparatus for improving performance on multiple-choice exams
42	US 5879162 A	Educational organizer
43	US 5868575 A	Cooperative/interactive learning system for logic instruction

	Document ID	Title
44	US 5868576 A	Language-information providing apparatus
45	US 5870731 A	Adaptive problem solving method and system
46	US RE36028 E	Computer assisted coaching method
47	US 5845289 A	Methodology for generating object structures for accessing conventional, non-object-oriented business applications
48	US 5836771 A	Learning method and system based on questioning
49	US 5836304 A	Computer system for cognitive rehabilitation
50	US 5833468 A	Remote learning system using a television signal and a network connection
51	US 5829983 A	System for carrying out educational management
52	US 5827070 A	System and methods for computer based testing

	Document ID	Title
53	US 5827071 A	Method, computer program product, and system for teaching or reinforcing information without requiring user initiation of a learning sequence
54	US 5823781 A	Electronic mentor training system and method
55	US 5816820 A	Simulation generation system
56	US 5813865 A	Methods and apparatus for teaching science and engineering
57	US 5813862 A	Method and device for enhancing the recognition of speech among speech-impaired individuals
58	US 5810599 A	Interactive audio-visual foreign language skills maintenance system and method
59	US 5810603 A	Karaoke network system with broadcasting of background pictures
60	US 5795156 A	Host device equipped with means for starting a process in response to detecting insertion of a storage media
61	US 5795161 A	Apparatus and method for calculating an absolute time at which an event occurred
62	US 5788508 A	Interactive computer aided natural learning method and apparatus

	Document ID	Title
63	US 5782642 A	Interactive video and audio display system network interactive monitor module interface
64	US 5779485 A	Methods for controlling reciting time of language learning device
65	US 5760771 A	System and method for providing structured tours of hypertext files
66	US 5752836 A	Categorized test item reporting method
67	US 5745738 A	Method and engine for automating the creation of simulations for demonstrating use of software
68	US 5741135 A	Automated training aids method
69	US 5735694 A	Collaborative and quality control scoring method
70	US 5734916 A	Method and apparatus for identifying, predicting, and reporting object relationships
71	US 5722418 A	Method for mediating social and behavioral processes in medicine and business through an interactive telecommunications guidance system

	Document ID	Title
72	US 5718591 A	Method for providing performance feedback to test resolvers
73	US 5716213 A	Method for preventing bias in test answer scoring
74	US 5711672 A	Method for automatically starting execution and ending execution of a process in a host device based on insertion and removal of a storage media into the host device
75	US 5709549 A	Instructional apparatus for computers
76	US 5709551 A	Multiple test item scoring method
77	US 5697788 A	Algorithm training system
78	US 5697829 A	Programmable toy
79	US 5692906 A	Method of diagnosing and remediating a deficiency in communications skills
80	US 5690497 A	Dynamic on-line scoring method
81	US 5678001 A	Computerized game teaching method

	Document ID	Title
82	US 5627958 A	System and method for improved computer-based training
83	US 5618182 A	Method and apparatus for improving performance on multiple-choice exams
84	US 5616033 A	Speed learning system computer based training
85	US 5601432 A	Educational organizer
86	US 5601436 A	Apparatus and method for generating and presenting an audiovisual lesson plan
87	US 5602982 A	Universal automated training and testing software system
88	US 5597307 A	Method for starting up a process automatically on insertion of a storage media into a host device
89	US 5597312 A	Intelligent tutoring method and system
90	US 5573406 A	Method and system for displaying symbols representing indicia of traits identifying trends for a participant in a boxing event
91	US 5565316 A	System and method for computer based testing
92	US 5566291 A	Method and apparatus for implementing user feedback
93	US 5562454 A	Educational mechatronics apparatus

	Document ID	Title
94	US 5558521 A	System for preventing bias in test answer scoring
95	US 5540589 A	Audio interactive tutor
96	US 5538431 A	Typing & mouse manipulation technique and instruction method
97	US 5537618 A	Method and apparatus for implementing user feedback
98	US 5535422 A	Interactive online tutorial system for software products
99	US 5513994 A	Centralized system and method for administering computer based tests
100	US 5496175 A	Questionnaire system
101	US 5496177 A	Method and apparatus for presenting new computer software functions to a user based upon actual usage
102	US 5494444 A	Method of simulating flashcards for learning purposes
103	US 5480306 A	Language learning apparatus and method utilizing optical code as input medium
104	US 5466159 A	Collaborative and quality control scoring system
105	US 5458493 A	Dynamic on-line scoring guide
106	US 5456607 A	Knowledge testing computer game method employing the repositioning of screen objects to represent data relationships

	Document ID	Title
107	US 5441415 A	Interactive computer aided natural learning method and apparatus
108	US 5442759 A	Interactive online tutorial system with user assistance function for software products
109	US 5437554 A	System for providing performance feedback to test resolvers
110	US 5433615 A	Categorized test item reporting system
111	US 5421730 A	Interactive learning system providing user feedback
112	US 5421731 A	Method for teaching reading and spelling
113	US 5395242 A	Computer simulation playback method and simulation
114	US 5395243 A	Interactive learning system
115	US 5388993 A	Method of and system for demonstrating a computer program

	Document ID	Title
116	US 5387104 A	Instructional system for improving communication skills
117	US 5385475 A	Apparatus and method for generating and presenting an audio visual lesson plan
118	US 5372507 A	Machine-aided tutorial method
119	US 5360343 A	Chinese character coding method using five stroke codes and double phonetic alphabets
120	US 5350303 A	Method for accessing information in a computer
121	US 5344324 A	Apparatus and method for testing human performance
122	US 5326270 A	System and method for assessing an individual's task-processing style

	Document ID	Title
123	US 5316485 A	Learning machine
124	US 5310349 A	Instructional management system
125	US 5308244 A	Learning device
126	US 5305206 A	Apparatus for producing an operation manual for use with a host system
127	US 5261820 A	Computer simulation playback method and simulation
128	US 5245535 A	System for demonstrating financial concepts and displaying financial data
129	US 5240419 A	Condition monitor request processing system
130	US 5239617 A	Method and apparatus providing an intelligent help explanation paradigm paralleling computer user activity
131	US 5230628 A	Apparatus for producing operational manual

	Document ID	Title
132	US 5228859 A	Interactive educational and training system with concurrent digitized sound and video output
133	US 5213506 A	Binary educational device
134	US 5173051 A	Curriculum planning and publishing method
135	US 5169342 A	Method of communicating with a language deficient patient
136	US 5096423 A	Computer system for teaching abbreviations for text and data processing functions
137	US 5092775 A	Prism prompter
138	US 5086393 A	System for testing human factors and performance of a system program
139	US 5058008 A	Mail system with personalized training for users
140	US 5018082 A	Guidance message display timing control using time intervals
141	US 5011414 A	Key-input apparatus or CAI system
142	US 4968254 A	System for synchronizing the output signals from multiple media

	Document ID	Title
143	US 4964803 A	Device for displaying operation of a microcomputer and method of displaying operation thereof
144	US 4964077 A	Method for automatically adjusting help information displayed in an online interactive system
145	US 4941829 A	Method for providing a dynamic tutorial display
146	US RE33229 E	Remote display device for a microcomputer with optical communication
147	US 4895518 A	Computerized diagnostic reasoning evaluation system
148	US 4877404 A	Graphical interactive software system
149	US 4859187 A	Database management enhancement device
150	US 4772206 A	Multi-mode teaching simulator
151	US 4763291 A	Remote display device for a microcomputer
152	US 4759717 A	Teaching system using computors equipped with screens and connected in a closed loop with a teacher control station
153	US 4715818 A	Computer training system

	Document ID	Title
154	US 4712184 A	Computer controllable robotic educational toy
155	US 4701130 A	Software training system
156	US 4652240 A	Interactive training system
157	US 4637797 A	Software training system
158	US 4622013 A	Interactive software training system
159	US 4613952 A	Simulator for an industrial plant
160	US 4548584 A	Computer controlled mobile device
161	US 4541056 A	Instruction system topic-interpreting method
162	US 4538993 A	Computer teaching system
163	US 4531918 A	Apparatus for the interpretation of various steps of an interactive computer program and a method of using such apparatus
164	US 4466798 A	Printed computer training device
165	US 4423321 A	Calculating system
166	US 4332565 A	Display system
167	US 4315320 A	Educational analog computer laboratory

	Document ID	Title
168	US 4295831 A	Computer programming training device
169	US 4258922 A	Computer math game
170	US 4259077 A	Wireless logic trainer
171	US 4225932 A	Instructional calculator
